- (a) “CERTIFICATE” shall mean a certificate of payment of the business tax pursuant to Chapter III, Article 1 of this Code. Issuance of a “certificate” does not authorize operation of a business without any permit or license required under other sections of the San Diego Municipal Code, or in violation of other provisions of the laws, and it shall not be a defense to any such violation that a certificate was issued. The certificate may bear such notation on its face or reverse side.
- (b) “CODE” refers to the provisions of San Diego Municipal Code.

(6-2000)

- (c) “EMPLOYEE” refers to a person defined in Title 22, section 4304–1 of the California Administrative Code.
- (d) “ENGAGED IN THE BUSINESS,” “PROFESSION,” “OCCUPATION,” “OPERATION,” or “PRACTICE” shall include owning, conducting, operating, managing or carrying on of a commercial or industrial enterprise through which services or property are sold, furnished, or constructed; provided however, that this definition shall not be so interpreted as to require more than one certificate to be obtained or paid for any one business enterprise at one location, except as otherwise provided in this Article.
- (e) “PERSON” shall mean and include all natural persons and all domestic and foreign corporations, associations, syndicates, joint stock companies, partnerships of every kind, clubs, Massachusetts business or common law trusts, societies and individuals engaged in any business as defined herein in the City of San Diego.
- (f) “SALE OR SELL” shall include the making of any transfer of title, in any manner or by any means whatsoever, to tangible personal or real property for a price, and the serving, supplying or furnishing, for a price, of any service or of tangible personal property: A transaction whereby the possession of property is transferred but the seller retains the title as security for the payment of the price shall likewise be deemed a sale. The foregoing definitions shall include any other type of transaction which is, or which in effect results in, a sale within the contemplation of law.
- (g) “SELLING GOODS, WARES AND MERCHANDISE” shall, in addition to any other meaning established at law, be deemed to extend to and include in its application persons who engage in the business of fabricating, serving or supplying, for a price, tangible personal property furnished, produced or made at the special order of purchasers or consumers, or for purchasers or consumers, or for purchasers or consumers who do or who do not furnish directly or indirectly the specifications therefor.

The issuance of a business tax certificate shall not relieve an owner or operator from obtaining any licenses or permits that may be necessary under other provisions of law for employees or for operation of the business.
- (b) It is unlawful to use or refer to a business tax certificate issued under the provisions of this Article in any advertisement, or to present or represent such certificate as a license or permit which is required by other provisions of the San Diego Municipal Code or the laws of the State of California or the County of San Diego.

A prosecution resulting in the conviction or the acquittal of any person for engaging in any business without first obtaining a certificate of payment of business tax to conduct such business shall not relieve such person from paying the business tax and penalties due and unpaid at the time of such conviction or acquittal, nor shall the payment of any tax prevent a criminal prosecution for the violation of any of the provisions of this Article. All remedies prescribed hereunder shall be cumulative and the use of one or more remedies by the City shall not bar the use of any other remedy for the purpose of enforcing the provisions of this Article.

*(Retitled to “Taxes— Prosecutions— Remedies of City” and amended 2-23-1987 by O-16815 N.S.)*

All declarations shall be signed by the owner of the business, or if a corporation, at least one officer of the business or by another authorized person as may be approved by the City Treasurer. Changes in the information appearing upon said sworn declaration shall promptly be reported to the City Treasurer on a form approved by the Treasurer. The declaration and each of the items it contains shall be subject to audit and verification by the City Treasurer or a duly authorized employee, who is hereby authorized to examine, audit and inspect the books and records of any business as may be necessary to ascertain the correct amount of the tax due.

### **§31.0141 Failure to File Declaration or Corrected Declaration**

If any person fails to file any Declaration required hereby within the time prescribed, or if after demand therefor made by the City Treasurer fails to file a corrected declaration, the City Treasurer may determine the amount of business tax due from such person from such information as he may be able to obtain and if necessary may estimate the tax required to be paid hereunder upon the basis of external indices such as stock on hand, capital invested, dividends paid, sales or other taxes paid, number of people employed, or by the consideration of other facts. When such a determination is made, the City Treasurer shall give notice of the amount so assessed by serving the same personally or by depositing same in the United States Post Office at San Diego, California, first-class postage prepaid thereon, addressed to the person so assessed at his last known address. Such person may, within ten (10) calendar days after the mailing or personal service of such notice, make application in writing to the City Treasurer for a hearing on the amount of the tax. If such application is not so made within the time prescribed, the assessment shall become final. If such an application is filed, the City Treasurer must set the matter for hearing within fifteen (15) calendar days before a board consisting of the City Treasurer, the City Auditor and Comptroller and the City Attorney, or their duly appointed deputies. The board shall consider all evidence produced and shall make written findings thereon. A copy of such findings shall be served upon the applicant, in the manner prescribed above for the service of notice of assessment. Such findings shall become final at the expiration of five (5) calendar days from the date of service, unless within which time new information is filed by the applicant and the board makes such modifications as may be deemed necessary; thereupon the final assessment shall be made.

**§31.0142 Additional Powers of City Treasurer — Declaration of Business Tax and Fees**

The City Treasurer shall have, in addition to all other powers conferred by law, for good cause shown, the power to extend the time for filing any such declaration for a period not to exceed thirty (30) calendar days, and in such case waive any penalty that would have otherwise accrued; and, with the written approval of the City Attorney and subject to the provisions of the City Charter, to compromise any claim for tax amounting to less than five hundred dollars (\$500); and, with the approval of the City Attorney and the City Council, to compromise any claim for tax amounting to five Hundred Dollars (\$500) or more.

In cases where any penalty results from administrative error by any City employee, the City Treasurer shall have the power to waive such penalty, and to cause any refund to be issued.

Notwithstanding the provisions of Section 31.0131, the Treasurer shall also have the power to extend the term of the expiration date of a certificate of payment and to prorate the taxes due therefor, or to waive such prorated fee when it is administratively infeasible, for a period not to exceed six months, in order to efficiently phase in the renewal or reissuance of certificate of payment.
